

Ukrainian bid 2013 ISRA – Worlds

Our country has successfully organized the Europe's Football (soccer) Cup 2012 this summer. National traveling infrastructure has got an important recent upgrade. 2-5th of August 2012 we have hosted the CIS countries cup on ISRA classes. We are ready to take the challenge to host and manage the organization of the ISRA Worlds. Valiko Motors team will be the organizer and responsible for the event.

🕒 Location

We are pleased to offer our facilities in the historical center of Kyiv in the Central palace of Youth. (str. Ivana Mazepy 13) The 3 stored building about 3 000 m2 will share its infrastructure for this event. 2 caffes, ballroom, special spacy design made for easy crowd accommodation. Brand new International Airport terminals 25 km from the city center.

🕒 Our Raceway

The track is build and installed early 2012. Track length is 40m. Powered with 13V, 200 Amps supply. Photos and specs are available on demand. The track is installed in the extensible open space area on the top floor.

🕒 **Power Outlets**

- 220 volts European plugs

🕒 **Accommodation**

**Best price apartment rent services (ex. www.airbnb.com) available to book online in advance, with the transfer from the airport at 20-30 Eur/cab.
The variety of hotels available with booking.com for any taste in the center and around.**

⌚ **Food & Beverage**

Our food and beverage services will be available every day, from 8-00 till 18-00. The restaurants of the central part of the capital will satisfy any taste for dinner.

⌚ **Warm up race**

We would plan to organize warm up race at the end of April (precise dates to be defined) and would approach CIS Cup members to organize traditional race in the first week of August also in Kyiv.

⌚ **Sponsorship**

The Valiko Motors team goes as the main sponsor, certainly others would join the event to promote slotracing in the Eastern Europe and CIS countries.
