Diepenbeek, Belgium 13 March 2013

Dear Sirs,

ISRA stands for International Slot Racing Association. We registered in 1993 in the UK and perform a yearly World Championship in different countries.

ISRA World Championship (Worlds) events are presented in the spirit of promoting slot racing world wide. Thus an approved organiser of an event takes on this duty and is preparing and fulfilling an event as a promoter for their national association as well as ISRA as international organisation, and completely in line with the decisions made by the ISRA Delegates. More information is available on our website www.isra-slot.com.

At the Delegates meeting of the 2012 ISRA Worlds in Malmö, Sweden, the delegates from 14 countries chose to accept the bid from Latvia for the organisation of the 2014 Worlds that, according to the rulebook, should be held in October 2014.

ISRA kindly asks for assistance of all related organisations in Latvia in preparation of the Latvian ISRA Worlds 2014.

Janis Rage-Ragis, member of ISRA, is the responsible person for the coordination and organisation of the event in Latvia.

We are looking forward to a great 2014 Latvia ISRA Worlds event.

Sincerely,

Chris Bruyninx
ISRA Chairman
