Czech bid for
ISRA Worlds 2015 |

Introduction

This is the Czech proposal to host the 2015 ISRA World Championships and it outlines how we intend to promote and stage the event. As such there are many areas where we will need to confirm our detailed plans once the bid is accepted.

When the Czech Republic is confirmed as the successful bidder we will develop these plans to hold an enjoyable and memorable event. The event will be supported by the best we can offer in terms of organisational skills, venue and facilities, sponsor and media support, as well as opportunities for further tourism in the Czech Republic.

Why Czech Republic?

There is a lot of answers why to organise ISRA WORLDS in Czech Republic. We offer some:

- Last Czech ISRA WORLDS was organised in 2003 - Brno
- Czech Republic is located in center of Europe - suitable positions for all European racers and well availability for overseas racers
- Regular participation of Czech racers at ISRA WORLDS
- Quality facilities, tradition of Czech slotracing
- Many of Czech racers are on the top of ISRA ranking (for example No. 1 is from Czech)

Spektators, media, families, ...

One of our goals is to present slotracing and high technology to wide public.

The event will be held near by Prague (radius 40 km). By this we offer many opportunities to discover beauties of Czech Republic and also capital Prague. It is suitable for family tourism or for extension of stay in Czech Republic.

Easy availability of racing venue gives advantage of media presentation of slotracing and ISRA WORLDS - TV, radio, internet, magazines.

Organisation

Organiser is Attan slotracing club together with Association of Modellers of Czech Republic (SMČR), which recommended and supported this bid.

Members of organisation team

- members of Attan slotracing club (Flaisig, Zemlicka, Korec, Horky,...)
- cooperation with Jiri Karlik, Recek Jaroslav, Antonin Vojtik jr.

Location and venue

- 40 km radius around Prague
- Attan slot racing club own new premises (250 m²) in town Luštěnice - distance from Prague is 35 km via highway R10.
- Here will be organised warm up races and other races in 2015 to have opportunity to learn the track for all racers.
- In this time negotiations are underway with hotels and holiday centers. Results and information about accommodations will be published in time.

Track

In year 2014 will be built new scale track by Lars Harrysson or Tomas Trantura.

We would like to consult design of track with top world drivers.

Project financing is already guaranteed.

I See you in 2015
