

ISRA Meeting via Skype, 8th May 2016

ISRA officials present at the meeting:

Anders Brommeson	ISRA Chairman
Graham Woodward	ISRA Technical Officer
Emilia Sinisaari	ISRA Secretary

Delegates present at the meeting:

Ben Woodward	Great Britain
Kaiar Tammeleht	Estonia
Torgny Nordgren	Sweden
Janis Rage-Ragis	Latvia
Kari Sinisaari	Finland
Chris Radisich	New Zealand
Roger Schmitt	USA
Steen Michaelsen	Denmark

Topics discussed during the meeting;

- a) Length of the pans on the Mossetti chassis, as there are several versions out.
 - Woody will measure the pans on the original Mossetti Patriot prototype sent for ISRA, and also those on a JK X25 chassis. Then sends an email to delegates, present at the meeting. A tolerance will be set regarding max/min measurements of the pans' length! Manufacturers then have to follow this tolerance.
- b) Possible changes and approval of the Rulebook 2016.
 - Changes are approved. (Will be published after this meeting's rule changes are inserted)
- c) Inspection and acceptance of the path ISRA World 2016.
 - Delegates chose Chris Radisich to conduct the inspection of the ISRA 2016 WC -track. He will inspect it during a warm up race.
- d) Closing of the Registration on June 30, 2016.
 - Registration will close on June 30th, 2016. Unanimous decision
- e) Files of Driver, Country and Date of Registration are to be sent to ISRA Board for a review (of the drivers that are eligible to

participate) before a final starting list and the waiting list are published.

- ISRA Board will contact Roger about this

f) Other questions

- **IEC-plug:** Draft of the rule change was sent to delegates and they approved it in the meeting. It will be added to Rulebook for this year's publishing since 2016 WC Track will have these plugs already in use.
- **ES24 body:** There are two types of bodies in distribution. One with a straight front and one with a curvy front. The curvy one was voted to be illegal! A picture of these examples will be posted on ISRA's web page!!
