

MECHELEN

Belgian Bid

ISRA WORLDS 2027

This is the Belgian bid proposal to host the 2027 ISRA World Championship.

We would like to organize this event at our club in Mechelen which is around 950m². Divided into a snooker area (+350m²) and slotracing area (+600m²) filled with 3 tracks. Pictures are at the end of this bid.

With this bid we hope that other local clubs or drivers can find their way (back) into ISRA or ISRA style racing. Having both Theo Vanginderhuysen and Willem In 't Veld, both (former) ISRA racers, as clubmembers it would be a great honour to organise this event for the first time in Belgium.

At this very moment we have the 2015 Lustenice track that we would completely rebuild and adjust to the latest ISRA rules.

The club has airconditioning and free wifi

The club is located perfectly between Brussels and Antwerp and just 3km from the Highway E19.

Both cities having an airport, with Brussels Airport being the biggest is just a 15min drive. Mechelen is also connected by public transport, train and bus, to both cities.

Taxi's and Uber are plentiful.

Mechelen has a lot of hotels, airbnb,.. all withing 5-10 kms from the club. You can already find a list below. Foods and drinks are plentiful at the club.

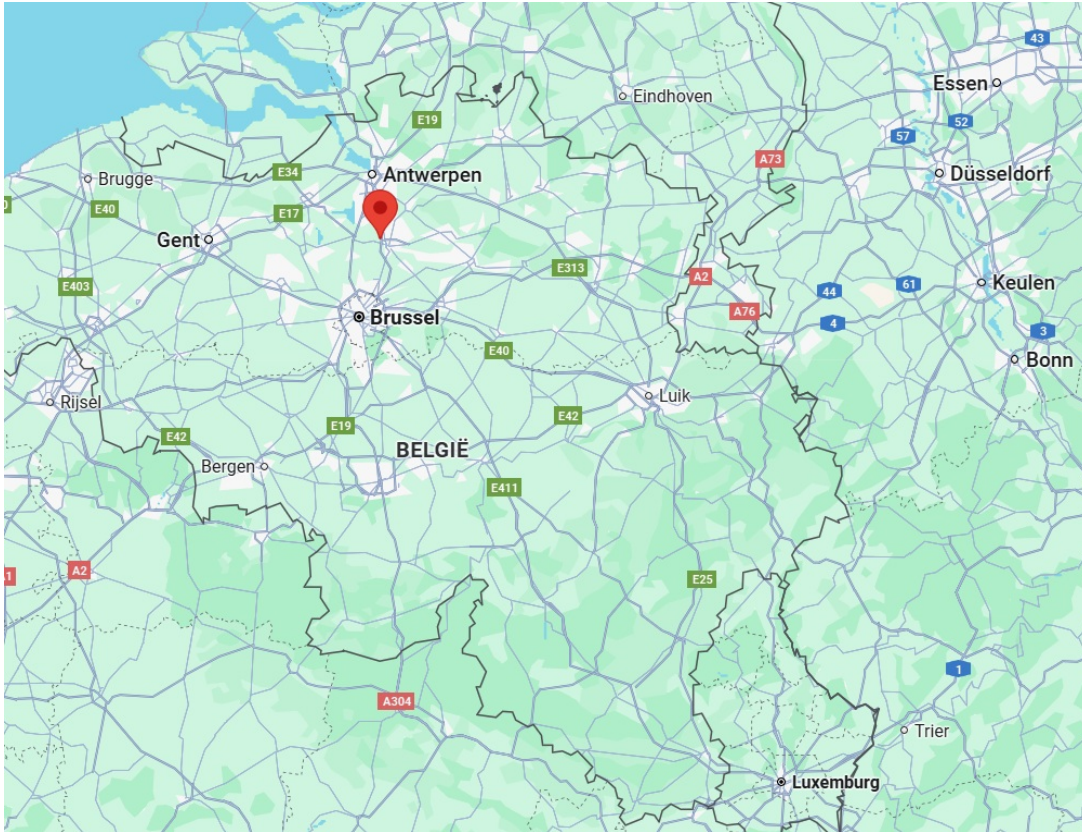

A list with places to visit or things to do around Mechelen will be made later.

DATE: 4-16 OCTOBER 2027

RACE VENUE: Bulo Factory – 5min drive to city centre

Address: Blarenberglaan 6, 2800 Mechelen

GPS: 51.056884, 4.447193
